Our Vision

Our vision is creating a company to provide dedicated transportation services with the utmost quality. This thought process has helped in defining the core roots of the company and which has provided optimal customer satisfaction.

Our Mission

Our Mission is to be the best transport service provider in the region with the utmost compliant standards, meeting all customer needs and requirements.

C.E.O Message

Our services are rendered to provide high quality transportation services. The management is dedicated to our valuable customers to ensure. There is a smooth operating lines between us and the customers. All our objectives are measurable from a customer centric score and with our continuous improvement process. We ensure only the best to our customers with zero compromise.

13 SEATER TOYOTA HIROOF

Our vehicle's are equipped with various technologies - from active safety which dramatically enhance peace of mind to passive safety that minimizes damage in the event of a collision. These technologies engender safety and security for both the driver and passengers.

22 SEATER TOYOTA COASTER

22 seat capacity. Safety Features. High mount stop lamp. Fire extinguisher. Front seat belts. Dimensions. Length - 6090 ... Front driver and passenger airbags, Anti-lock Brake System (ABS) and on-board fire extinguisher are also standard

35 SEAT MOTOR COACH

For the passengers there are standard fixed seats or the option of recliners, which trim the total number of seats. Spacious, friendly and well equipped - that how the Kinglong welcomes its passengers. Numerous racks and stowage options make for a tidy, spacious interior. The multipanel roof dome blends seamlessly into the luggage shelves at the sides. The spacious feeling is particularly pleasant thanks to the powerful air conditioning system with fully automated two zone control.

51 SEAT LUXURY COACH

The 51 seat luxury coach is equipped with a focus on comfort or functionally. Features include the popular Travel Star Eco(TSE) seating, which is available with lateral adjustment of the side seats, adjustable backrests. There are also two additional upholstery variants. In the stylish soft line version the configuration options are almost limitless. The luxury upholstery meets the requirements for maximum comfort.
